

Statewide Defined Benefit Plan (SWDB)

This plan applies to employees who:

Were hired by a qualified employer on, or after, April 8, 1978

Colorado Springs Police and Fire members hired on or after October 1, 2006 and members hired prior to October 1, 2006 who elected to participate in the SWDB Plan

New hires in re-entry departments covered by the SWDB Plan

Members in re-entry departments who elected the SWDB Plan

These employees are automatically covered by the SWDB Plan and the SWD&D Plan administered by FPPA. Employees hired for the first time as police officers or firefighters by an affiliated employer are covered from the first day of employment if contributions to FPPA are being deducted, even if they are considered to be a probationary or provisional employee by the employer.

The SWDB Plan may also cover full-time clerical or other personnel employed by a fire protection district, fire authority, or county improvement district, whose services are auxiliary to fire protection, if a department has adopted the plan for these members. These members are not covered by the SWD&D Plan.

State Statues permit department chiefs to opt out of the SWDB Plan and to elect coverage under the Statewide Money Purchase Plan (SWMP), the Statewide Hybrid Plan (SWH), or an alternative pension plan. The information in this section refers to the plan(s) a department is enrolled in and does not necessarily indicate which plan the chief may have selected.

Colorado Springs New Hire Pension Plan (CSNHPP)

This plan applies to employees who were hired by Colorado Springs police or fire on or after April 8, 1978, but prior to October 1, 2006 who did not elect to participate in the SWDB Plan. These employees are covered by the Colorado Springs New Hire Pension Plan and the Statewide Death & Disability Plan administered by FPPA.

The plan has two components: Police Component and Fire Component. Separate benefit provisions for each component are provided in individual plan documents; structurally they are a tier of the FPPA Defined Benefit System.

1. Colorado Springs New Hire Pension Plan – Police Component
2. Colorado Springs New Hire Pension Plan – Fire Component

Colorado Springs Police and Fire members hired on or after October 1, 2006 are enrolled the FPPA Statewide Defined Benefit Plan.

Statewide Hybrid Plan –Defined Benefit and Money Purchase Components (SWH – DB and MP)

The SWH - DB and MP covers firefighters and police officers from re-entry departments that elect coverage under this plan after January 1, 2004. This plan may also cover full-time clerical staff or other personnel by an affiliated Fire Protection District, Fire Authority or a County Improvement District.

There are two components to this plan:

1. Defined Benefit Component – This pays a monthly benefit upon retirement for a member's lifetime.
2. Money Purchase Component – This is an individual, self-directed retirement account that is available to a member at retirement until it is depleted.

Departments Employing New Hire Members in the SWH – DB and MP

(This does not include departments who had members individually elect this plan through the department re-entry process or chiefs who elected to participate in the plan.)

1. Evans Police

Statewide Money Purchase Plan (SWMP)

This plan, established January 1, 1994, may cover the following members:

- Members of departments that were in the Statewide Defined Benefit Plan (SWDB) and elected coverage under the Statewide Money Purchase Plan (SWMP). Members are also covered by the Statewide Death & Disability Plan (SWD&D) administered by FPPA.

And the following employees in departments that have adopted the SWMP Plan

- Part-time police officers and firefighters working less than 1600 hours per year.
- Part-time clerical employees whose services are auxiliary to fire protection and the department's full-time firefighters are in the SWDB Plan.
- Full-time clerical employees whose services are auxiliary to fire protection and the department's full-time firefighters are in the SWMP Plan.

The SWD&D Plan does not cover clerical employees.

Departments Employing Full-Time Members

(This list does not include chiefs who elected to participate in the SWMP)

Old Hire Defined Benefit Plans

There are two types of old hire defined benefit plans relative to FPPA policies and procedures: 1) Affiliated Old Hire Defined Benefit Plans, 2) Non- Affiliated Old Hire Defined Benefit Plans.

Affiliated Old Hire Defined Benefit Plans

These plans cover employees hired before April 8, 1978, whose employers chose to affiliate their old hire plan with FPPA for certain plan administrative functions, including retiree payroll processing, actuarial studies, tax reporting and investment of assets. **The old hire pension board is still responsible for the administration of the plan, the determination of benefits and must verify all retirement benefits, refunds, contribution totals, etc.**

Assets of affiliated old hire defined benefit plans are tracked separately, and employers receive a separate accounting of their old hire plans through quarterly and annual statements from FPPA. Employers may be asked to complete annual audit verification from FPPA's auditor for contributions received and benefits paid out for the old hire plans.

In addition, these employees were covered by the Statewide Death & Disability Plan for a death or disability that occurred after January 1, 1980, but prior to retirement eligibility.

Affiliated Volunteer Fire Departments

Volunteer fire departments and fire protection districts may affiliate their local pension funds with FPPA for certain administrative functions and investment services. The state has contracted with an insurance company to provide Accidental Death and Disability Insurance for Colorado volunteer firefighters. For more information, refer to the State of Colorado, Department of Local Affairs web site.
